

Natural Sciences 3

# Module 1: Living Things

# The Animal, Plant and Fungi Kingdoms

## REMEMBER!

- Living thing: 
  - they born (nacen)
  - they eat (comen)
  - they grow (crecen)
  - they reproduce (reproducen)
  - they die (mueren)
- Non-living thing

The Animal, Plant and Fungi Kingdoms (El reino animal de las plantas y los hongos).

**REMEMBER! Recuerda**

- They born (Nacen).

# The Animal, Plant and Fungi Kingdoms

## REMEMBER!

- They eat (Comen).

# The Animal, Plant and Fungi Kingdoms

## **REMEMBER!**

- They grow (Crecen)

# The Animal, Plant and Fungi Kingdoms

## **REMEMBER!**

- They reproduce (Se reproducen).

# Living things life processes

- Nutrition:  When we eat. (Cuando comemos).
- Interaction:  When we react to the environment. (Cuando nos relacionamos con lo que nos rodea).
- Reproduction:  When we have babies. (Cuando tenemos bebés).

# Animals

- **Nutrition:** All animals eat other living things. (Todos los animales se alimentan de otros seres vivos).

# Animals

- **Interaction:** Animals move around to find their food. (Los animales se desplazan para buscar su comida).

# Animals

- **Reproduction:**
- Some animals are born from eggs. **(Lay eggs) (Algunos animales nacen de huevos).**
- Some animals are born directly. **(Give birth) (Otros nacen del vientre de sus madres).**

# Humans

- **Nutrition:** We eat food from other animals and plants. (Nos alimentamos de otros animales y plantas).

We eat at meal time:  
(Tenemos 3 horas de comida).

Breakfast (Desayuno).

Lunch (Comida).

Dinner (Cena).

# Humans

- **Interaction:** We move around and can invent machines. (Nos movemos y podemos inventar cosas que nos facilitan la vida).

We communicate by talking, touching and writing. (Nos comunicamos hablando, tocando y escribiendo).

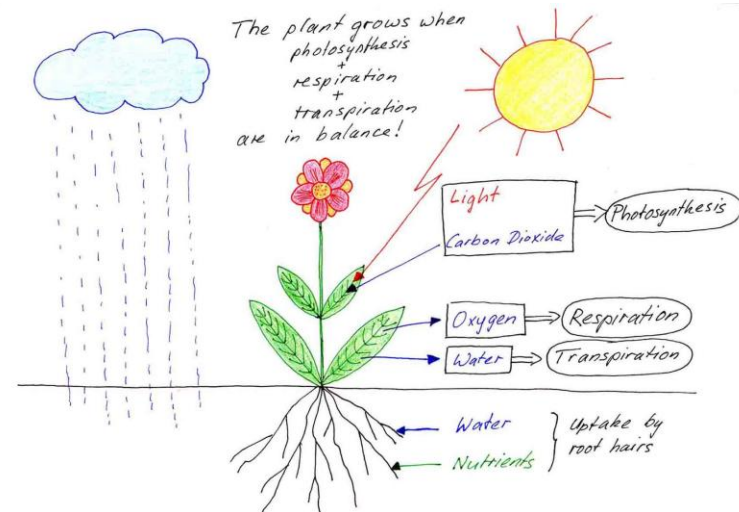

# Humans

- **Reproduction:** Humans babies are born directly from their mothers. (Los humanos nacemos de nuestras madres).

# Plants

- **Nutrition:** Plants need to grow (Las plantas necesitan para crecer):
  - Sunlight (Luz solar).
  - Air (Aire).
  - Water (Agua).
  - Soil (Tierra).

# Plants

- **Interaction:** Plants can't move around. But they react with the environment. (Las plantas no se pueden mover, pero reaccionan con estímulos que reciben, como por ejemplo el girasol).

# Plants

- **Reproduction:** Plantas can make new plants. (Las plantas pueden crear nuevas plantas).

Many plants makes seed. (Algunas plantas producen semillas).
